Packetalk,

The New Jersey Attorney General Law Enforcement Directive 2022-12 (“the Directive”) and Statewide ALPR Coordinator for the New Jersey Statewide Networked ALPR Program (NJ SNAP) established requirements that ALPR vendors must:

- affirm compliance with the Directive
- successfully implement APIs for:
  - LPR Search
  - Points of Interest
- provide law enforcement agencies access to BOLO Lists (NCIC and MVC)

Please allow this letter to serve as official notification that Packetalk has met all criteria to be a NJ SNAP Certified Vendor. Continued compliance with the Directive, or any further updates to the Directive or policy created by NJ SNAP is expected. If compliance is no longer met, NJ SNAP will revoke certified vendor status and issue notification of same to Packetalk’s points of contact. If compliance is not rectified within a timeframe set forth by the Statewide ALPR Coordinator, NJ SNAP will further disseminate notice of status revocation to all NJ Agency ALPR Coordinators.

Sincerely,

*Adam E. Polhemus*
